

SPECIALTY ingredients

Ioniplex® represents a giant leap forward for the specialty ingredients market. Powered by Cellular Infuson® Technology, Ioniplex's® nano-molecular structure penetrates cell membranes allowing nutrients and ingredients of all types to be more efficiently absorbed and utilized by the body. Many specialty ingredients require extensive extractions and are not always fully absorbable. Ioniplex® is here to help change that. Optimize your specialty ingredients with Ioniplex®.

Ioniplex® Benefits

- Increases Bioavailability*
- Enhances Protein Absorption*

Endless Applications

- Branded Specialty Ingredients*
- Condition-specific products*
- VMS*
- Dietary Supplements*
- Sports Nutrition*
- Beauty Products*
